

Cambrai Primary School & Preschool

Playgroup

Key Information

When: Wednesday 10am - 12noon during the school term.

Where: In the Preschool at Cambrai Primary School & Preschool.

Who: Everyone is welcome - Mum, Dad, Grandparents & Carers.

An enjoyable and relaxing time for both you and your children.

Cost: \$2 weekly per family

How our Playgroup runs

Please bring:

- healthy snacks
- water/drink bottle
- hat for outside play

We provide tea and coffee for adults.

We ask

- all adults reinforce the school values of respect, integrity, responsibility & honesty
- help tidy up
- book into Occasional Care so buses/supervision can be planned.

Our Aim

Playgroup provides children and parents

- An environment for social interaction.
- An opportunity for children to play and learn.
- Opportunities for language development and communication.
- A space to participate in and enjoy new activities.
- Access to a variety of play equipment.
- A safe and happy place for children.
- Skills to become ready for the formal learning environment.

Connecting children and families of our community to each other and local services is key to how the school operates.

Cambrai Playgroup has a unique advantage over most other Playgroups. It is held in the Preschool of Cambrai Primary School & Preschool and also offers Occasional Care on the same day. This creates opportunities for a smooth transition to Preschool and then onto school.

Playgroup is an opportunity for parents to meet families with children of a similar age. Weekly themes and activities are designed by our playgroup coordinator to maximise learning experiences in the group, and so you can also take home and do together.
