Preschool Quality Improvement Plan Summary

Cambrai Preschool

Goals	Challenge of Practice	Success Criteria
<p>To improve children's numeracy skills through a focus on measurement including linear measurement (length, weight, height) and time.</p> <p>To extend children's ability to construct and convey their own messages/ideas with purpose and confidence through the development of language and mark making.</p>	<p>If educators develop their skills in strategic questioning, are intentional in their planning and embed strategies in the everyday practice of the site (e.g. play and investigation), children will develop skills to problem solve in the area of measurement.</p> <p>If educators develop their understanding of the impact of fine motor skill development on mark making, investigate bookmaking to extend learners, and are intentional in their planning, then children will develop confidence as writers and illustrators.</p>	<p>Children choose and use the appropriate tool and strategy for the attribute measured (e.g. rulers, egg timers, tape measures, scales and associated vocabulary). Children explore, infer, predict and hypothesize in order to develop an increased understanding of aspects of measurement. Children's growth is measured and shared with families.</p> <p>Children will create texts for a range of purposes. Children will begin to use images and approximations of letters and words to convey meaning. Children's growth is measured and shared with families.</p>
<p>National Quality Framework Priorities</p>		
<p>Reconciliation Action Plan.</p> <p>To gather more information about requirements of Reconciliation Action Plan aligned with school. For staff team to commence working on the Action Plan. To share the work on the Aboriginal Action Plan with Governing council</p>		
<p>Teachers access children in terms 1 & 3. All educators track and monitor, collect data.</p> <p>Following feedback from Parent Opinion Survey, will include increased focus on different cultures represented within our community. Learning focus for Term 1 "All about me and people in my world", underpinned by the child protection curriculum. To support children's sense of identity, connection with others.</p>
