2022 - 2023 SEASON

Our school is rated as **"high risk" or R2**. It will be closed on Catastrophic bushfire weather conditions forecasted for Mt Lofty Ranges and/or Murraylands. Our school is required to monitor both fire ban districts.

Please listen carefully to weather reports during bushfire season. In the event of a bushfire during school hours, students will be collected from the **HOME ECONOMICS** building. This is our Bushfire Safety House. We are able to keep children here until it is safe for you to collect them. You can park in the bus area or grounds shed to collect children from the Bushfire Safety House.

TOTAL FIRE BAN DAYS

Staff, students and parents to be aware of their roles on this day. Excursions may be cancelled. Parents may choose to keep children home if part of their bushfire action plan. Any children collected during the day **MUST** be signed out through the front office.

FIRE IN VICINITY

All decisions for the school is managed by the Department via the Principal. Everyone moves to the Bushfire Shelter. Only parents or nominated emergency contacts may collect children **if it is safe to do so**. All children **MUST** be signed out of the Bushfire Shelter. Staff will be on duty until all students are collected including beyond school hours depending on conditions. Buses are postponed until further notice.

CATASTROPHIC FIRE DAYS

The school, preschool, playgroup and library will be closed and buses will not run. No one is to be on site. Schools to be closed will be listed on TV and radio. We will contact parents with our message systems (text, Seesaw, Facebook group). If the fire danger rating changes during the day, the school will remain open to allow us to contact parents for collection of children from our Bushfire Safety House. We will remain here with any children **until it is safe for you to collect them. Please be aware it maybe hours or even overnight until you are able to safely get here.**
