UNIFORM POLICY

(ratified by CPS Governing Council May 2023)

PART A: RATIONALE:

It is compulsory for students at Cambrai Primary School & Preschool is to wear school uniform at all times. Students need to present themselves in a manner which indicates that they are at school for the purpose of learning.

Under the EDUCATION ACT (1972) and REGULATION 86 school councils have the power to:

- Determine school dress policy.
- Enforce uniform obligations and exemption conditions.

The school uniform has been determined through a consultative process, involving the Governing Council, staff, students and parents.

School uniform is important because:

- It creates a positive image of the school particularly in the community, developing and maintaining a high standard of appearance.
- It encourages a sense of belonging and pride in our school.
- It easily identifies our students on school grounds and in the community, which is important for student safety.
- It helps create a more equitable social environment.
- It is practical and includes 'safe' clothing for all subjects.

PART B: UNIFORM IMPLEMENTATION:

All students must be in full uniform at all times.

1. In situations of financial hardship, arrangements will be made by the school counsellors and/or the Principal, to supply students with correct uniform.
2. On those occasions when it is not possible for a student to comply with the uniform requirements, a written note must be provided (diary or email) and shown to the student's H teacher. This is a valid *exemption* on the day it is received by the teacher.
3. New students may be exempt from wearing school uniform until they can purchase one. This will be negotiated between the family and the enrolling staff before the student starts.
4. Students may also be exempt from wearing school uniform due to health reasons.
 - a. On these occasions, families should contact the school and students are still expected to be dressed appropriately for school, in school colours (red, white & black).
5. Families will be notified on those occasions when uniforms are not required, for example camps or student casual days.
