Cambrai Eatery Menu Term 3 2024

Open Wednesday, Thursday & Friday

At the Cambrai Eatery, our **mission** is to provide nutritional support and education for students while simulating a dining experience that represents local food and culture.

We **aim** to support families with affordable food options away from home and educate students on making good food choices that have a positive impact on their lives.

Our **goal** is to be fully environmentally sustainable while promoting healthy eating, learning money skills, and dining etiquette within our school community.
